A Word From Our Pastor

"By God's great mercy he has given us a new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that is imperishable, undefiled and unfading..."

Hope. What an amazing word! Hope is what Christ brings into the world. On the first Good Friday, when Christ died on the cross, everything looks like all hope is lost. We leave Mary, the mother of Jesus, weeping at the foot of the cross with the beloved disciple on Good Friday. But we visit the tomb on Easter Sunday to find it miraculously empty, yet full of hope that flows out into the world with the proclamation carried by the followers of Jesus. The tomb is empty! Christ is not there! He has been raised from the dead! Hallelujah!

As believers, we are Easter people. We live in the faith of resurrection power. And we are challenged to bring hope into the world. We are called to be spiritual leaders inspired by the Holy Spirit. We all belong to the priesthood of all believers. This means we are Christ's representatives to the world. We are the body of Christ. We are the physical hands and feet of Christ in service to the world. Sometimes we are the voice crying out in the wilderness. We are light on a hill and the salt of the earth. The Bible describes us in many ways. In all of these descriptions, we are Christ bringers, bearers of good news and hope. Each one of us is unique in how we express this hope in our lives, so each one of us has to figure this out for ourselves. How do you bring Christ into the world?

At St. John's our mission is to show Christ's amazing love. As individuals we come together and express Christ's amazing love through hospitality, service, mission, and on a more personal note through hugs, smiles and acceptance. We support one another within the church and we serve together in our community. We are a hope-filled people. We believe that God has done some amazing things. And that God is faithful and will continue to do amazing things! Our hope – the hope we bring into the world – is not in vain. For the one that promises new life is the giver of all life – life abundant! Now, "may the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit."

Grace and Peace,

Stephanie Hughes

GROW

Our children's ministry has great volunteers that don't always get recognized. I've been trying to find ways to acknowledge my love and appreciation for our volunteers. For the next couple months, I'm going to highlight one of our AWESOME volunteers. This month I am going to start off with the fabulous Cindy Fuller. Cindy has been teaching our 1st-3rd grade class for many years now. She's a faithful volunteer who loves our kids so much. She comes every week with a lesson and craft ready for our kids. When she first started, she would tell me "I'm not really a teacher" or "I'm not that crafty" but boy, does she teach these kids and craft with them! She had gone above and beyond the lesson to make sure the kids are learning other things such as The Lord's Prayer and the Ten Commandments. Cindy is always looking for ways to teach our kids about the Bible. I love hearing her say to me "we need more stories out of the Bible for these kids". She has a passion and love for these kids and wants them to have the word of God deep in their hearts!! Every holiday, Cindy shows up with treats for the kids from her own money. Cindy also has a passion for our Children's Christmas Program. She has helped me in the past but this last year, she took it over and planned an awesome program! She worked week after week with the kids and we had such a great production! Cindy is an amazing volunteer! Thank you, Cindy, for all of your hard work! Next time you see Cindy Fuller, give her a hug and thank her for teaching our kids!

March was a busy and exciting month in the Foundry and April will be no different. April got off to an amazing start with the confirmation of 4 of our youth this past Sunday. Congratulations Mollie, Chase, Tucker and Leah! We had a lot of fun in March with our first quarterly service project and a trip to the movies as well as a Luau right in the Foundry. We also had an egg themed game night and an activity filled Easter lesson. The youth also did a great job at the Good Friday service and helping set up for Easter. The fun and serving will continue in April. We have 2 big events this month. Our first is the District Kickball Tournament April 22nd. Our youth group will gather with around 20 other youth groups for worship, fellowship, and competition on the kickball field. It is sure to be an amazing night. The following Saturday, April 28th the youth will serve as waiters and waitresses for the church Dinner and Magic Show. This will be a fundraising event for the youth/kids attending camp & UM ARMY this summer. The next day, April 29th is a 5th Sunday so the youth will be serving that morning in service. Also, I have sent out information to parents on our summer mission camps: UMARMY for Sr. High and SUMMIT for Jr. High. Please get them registered as soon as possible if they wish to attend. Summer camp info will be going out shortly. Please feel free to contact me with any questions.

Peace and Blessings,
Mae Diaz de Leon
